# Web Template

The section covers the basic information regarding template design and specifications. The templates are temporary due to the stage of the project, a new and improved template will be design for the final stage.

1 Wireframe

All pages use a standardize background template. The background template contains a Texas Tech University white banner on top and Texas Tech Dark Red for the background color.
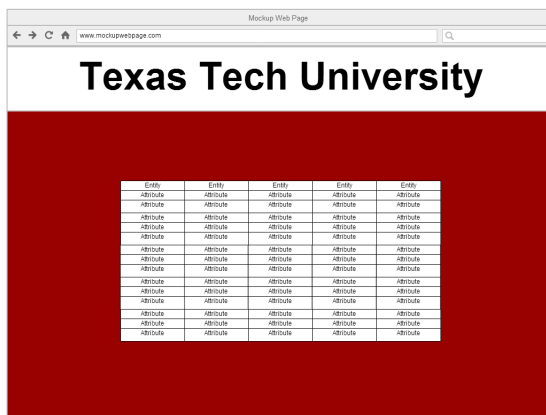

1.1 Sign-In

The sign-in template contains the standard background template and sign-in box.

1.2 Display

The display template contains the standard background template and output chart.

2 Typography

The typefaces style has been written to automatically format attractive, readable headers and paragraphs with the following substitutions:

High-level headers and some major introductory paragraphs
Arial

General content and lower-level headers
Arial

3 Color

The page template colors are Texas Tech Dark Red and Texas Tech Black official colors. This is the primary palette used to represent Texas Tech University.
